DETAILED ACTION

EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In the Claims

14. (Currently Amended) The method of claim 10 [[14]], wherein breaching the service level agreement includes exceeding service level agreement parameters hardware failures, hardware outages, software failures, performance failures, and failure to meet agreed upon requirements of the service level agreement.

EXAMINER'S COMMENT

The Examiner notes that this Supplemental Allowance and Examiner's Amendment were made for the purpose of correcting a typographical error in claim 14. In the claim amendments filed 10/7/2007, claim 14 is recited as being dependent on itself. It is clear, from the listing of claims in the Appeal Brief filed 4/21/2008, that Applicant intended for claim 14 to dependent from claim 10.
